

ENVIRONMENTAL STUDIES MAJOR PLAN OF STUDY

Name _____ Date _____

Class _____ Box _____

Email Address _____ Advisor Preference _____

This form should be submitted to the Environmental Studies office after consultation with the director and approval of the four-course sequence by department faculty. When submitted, an essay of 500 words, describing your intellectual commitment to environmental studies should be included. The essay should explain thematically, the objectives of your course of study, and the relationship of its various elements. Following acceptance of the plan, any changes must be brought to the attention of the director and may require approval of the steering committee.

Date(s) of consultation(s) with the Director of ENST: _____

1. Environmental Studies Courses

DEPT/COURSE	TITLE	UNITS	FR, SO, JR, SR
ENST 125	Environmentalisms in Perspective	1.0	_____
ENST 124	Essentials of Environmental Science	1.0	_____
ENST 260 or 270	_____	1.0	_____
ENST 301	Thesis Preparation	0.5	_____
ENST 303/304	Senior Thesis	1.0	_____

2. A proposed sequence of four courses in one department, no more than one at the 100-level, and at least one at the 300-level. The department chosen may not be another multidisciplinary program (this applies to section 3 as well).

ENVIRONMENTAL STUDIES MAJOR PLAN OF STUDY

Additional 200- and 300-level ENST courses, such as ENST 290, 291, are recommended but not required of the major. These courses, while not formally required for the ENST major, help shape your education in the framework of the liberal arts. We recommend up to four courses with at least one at the 300-level.

<hr/>	<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>	<hr/>

Briefly describe how these courses fit into your interests in Environmental Studies.

100-level ENST courses taken (these are recommended but not required for the major):

List courses taken and proposed outside the major (e.g., ENGL 170, HIST 160, BIOL 270):

Fr. _____

So. _____

Jr. _____

Sr. _____

Please mark beside the course numbers, above, your freshman course (FC); courses taken to fulfill the quantitative (Q) and language (L) requirements; and any courses you plan to take during study abroad (JYA). If you have fulfilled your language requirement in a way other than Vassar course work, please indicate how you have done so.
