January 2022 – March 2022**

STUDENT AID PORTION

The total amount of funding the institution received for Higher Education Emergency Relief Fund-Student Aid (HEERF I, II, III) is \$4,286,765.

Vassar College distributed Student Aid during this quarter, from January 2022 to March 2022, to 819 students¹ who received payments of \$289 each, totaling \$236,543.

To determine who would receive Student Aid Grants during this quarter, Vassar’s Office of Student Growth and Engagement (SGE) distributed the attached email to all students indicating that “all enrolled Vassar students are eligible to apply for the funds. In accordance with the guidelines set by the federal government, we are prioritizing those students who have significant financial need.”

An application for these funds, also attached below, was required. The application requested information that helped the SGE Office assess financial impact and exceptional need due to COVID-19.

Dear Students:

I am writing to let you know that you will have another opportunity to receive the CARES grant, if needed. The Higher Education Emergency Relief Fund provides direct grants to students. The individual cash grant amount to each student will be based on the number of applications received and the funds available. **Please submit [your application](#) by Monday, January 3, 2022 at 5pm ET.** *You may only access this form via your Vassar email.*

All enrolled Vassar students are eligible to apply for the funds. In accordance with the guidelines set by the federal government, we are prioritizing those students who have significant financial need. If you do NOT need a CARES grant and would like to leave it in the pool of funds that will be distributed to other students in need, please do NOT fill out the google form application.

Again, **[the application](#) is due by Monday, January 3, 2022**, and can *only be accessed using your Vassar email*. We expect to send cash grants to students in mid-January, and so, this deadline will remain fixed.

We expect this grant will be of some assistance during these challenging moments. Let us remain hopeful for better days to come.

Happy Break!

Be well,
Dean Wendy
