

Spring '24 Application for English 209 and 304

Note: the department is standing by its new policy. We are not asking for writing samples for any of these classes; however, English majors (and correlates) deserve preferential treatment, which the registrar is unable to provide. Rather than writing to the course instructor (don't do that!), please fill out this form and return it the English Department office during Pre-Registration Phase I by **November 10th 2023**. You will be notified of your acceptance before the end of Pre-Registration I. Class lists will be displayed outside the English Department office and shared with the registrar.

NAME _____

COURSE _____

MAJOR _____ Class Year _____
