## Fall 2020
### Campus Experience

### Phase 1: Return to Campus
**August 8–September 7**

- **Physical Distancing:**
  - Maintain 6 ft distance everywhere indoors and outdoors.
  - Roommates in doubles, triples, suites, and apartments are encouraged to maintain 6 ft distance as possible.

- **Campus Access:**
  - Campus closed to non-essential visitors.

- **Dining:**
  - Grab-n-Go dining only.
  - Limited outdoor seating, seats marked for distancing.

- **Public Facilities:**
  - Temporary closures (Athletic Fitness Center, academic lounges, house parlors, MPRs, community centers, etc.).
  - Classrooms spaced for physical distance.

- **Programming:**
  - No In-Person/Outdoor Programming (virtual/passive programming only).

- **Outdoor Gatherings:**
  - Any informal gatherings are virtual or outside only.
  - Masks and 6 ft distance required.
  - Any in-person gatherings should be infrequent. Virtual gatherings encouraged.

- **Indoor Gatherings:**
  - Indoor gatherings permitted with Reduced Maximum Capacities.
  - Masks and 6 ft distance required
  - Virtual gatherings continue.

- **Exercise:**
  - Outdoor exercise/recreation with 6 ft physical distancing.

- **Testing:**
  - Pre-arrival test; 1st on-campus test upon arrival; 2nd on-campus test 7-10 days after arrival.

### Phase 2: Confirming Community Standards
**September 8–September 25**

- **Physical Distancing:**
  - Maintain 6 ft physical distance indoors and outdoors; outside of bedroom, suite, or apartment.
  - Roommates, suitemates, and housemates have achieved status as pod-unit.

- **Campus Access:**
  - Campus closed to non-essential visitors.
  - Exceptions: Frances Lehman Loeb Art Center (on weekends), Community Gardens, Poughkeepsie Farm Project, Wimpfheimer Nursery School, Golf Course. Students remain on campus.

- **Dining:**
  - Grab-n-Go dining. Local restaurants to provide food at Noyes Circle tents (while adhering to required PPE & campus policies) beginning 9/14.

- **Public Facilities:**
  - Select public facilities re-open with reduced maximum capacity (including: Lounges, Parlors, Community Centers, Pool (by appointment only), Library, Chapel). Students remain on campus.

- **Programming:**
  - Approved, limited outdoor programming.

- **Outdoor Gatherings:**
  - If approved by relevant department or Campus Activities: Outdoor gatherings limited to 25 or fewer people in masks, 6 ft distance (if stationary and 6 ft distance they can remove masks).
  - If not approved/informal: Outdoor gatherings must have 10 or fewer people.

- **Indoor Gatherings:**
  - Groups of up to 10 or maximum COVID-19 room capacity (see room signage), whichever is fewer.
  - Masks and 6 ft distance required.
  - Virtual gatherings continue.

- **Exercise:**
  - Outdoor exercise/recreation must be in groups of 4 or fewer and stay 6 ft away from anyone else.
  - Masks under this condition are not required.

- **Testing:**
  - Testing approximately every two weeks, more regularly for some

### Phase 3: Structured Off-Campus Travel
**TBD–November 20**

- **Physical Distancing:**
  - Maintain 6 ft physical distance. Physical distance continues indoors and outdoors outside of bedroom, suite, or apartment.
  - Pod-units sustained.

- **Campus Access:**
  - Limited visitor access (grounds open to visitors; no building access).
  - Structured Student Travel Off Campus (e.g. class trip, class performance).

- **Dining:**
  - Indoor Dining and Grab-n-go options.
  - Marked distance seating indoors and outdoors.

- **Public Facilities:**
  - Select public facilities remain open with reduced maximum capacity (including lounges, parlors, and community centers).
  - Some facilities remain closed (i.e., AFC).

- **Programming:**
  - Approved outdoor events in groups fewer than 50.

- **Outdoor Gatherings:**
  - Informal gatherings outdoors of 25 or fewer.
  - Masks/Face coverings are not required if eating in designated, low-density areas indoors.

- **Indoor Gatherings:**
  - Indoor gatherings permitted with Reduced Maximum Capacities.
  - Masks and 6 ft distance required.

- **Exercise:**
  - Outdoor exercise/recreation with pod-units.

- **Testing:**
  - Regular community testing.

### The Following Standards Must be Adhered to Throughout All Phases:

- Everyone on campus is required to wear a mask/face covering at all times (including in transit and in residential houses).
- Students will only be able to access their own residence.
- Students will use assigned bathrooms and fixtures in houses.
- No registered parties
- Classrooms are spaced for physical distance.
- Food & grocery delivery drivers may not enter the building. Students must meet driver outside; touchless delivery.

* **Mask Exceptions:**
  - when in private/unshared rooms or offices; when stationary outdoors and able to maintain 6 ft distance from others; or if exercising (must be in a group of 4 or fewer) and able to maintain 6 ft distance from others.

---

**Phase progression contingent upon environmental health and safety conditions**
